I DonÂ´t Love You Anymore

Wolfsheim

I don't understand you saying
"Our seas were always rough"
We had to make it up someway
But years were not enoughI will not praise the times we had
And won't deny that I feel sad
The silence speaks for you and me
While we're dancingAnd I don't love you anymore
And we're dancing
You're not the one I'm falling for
But we are dancingI will not praise the times we had
And won't deny that I feel sad
The silence speaks for you and me
While we're dancingLook at what we have today
I can't live without you
That's not what I want to say
But it seems so trueI will not praise the times we had
And won't deny that I feel sad
The silence speaks for you and me
While we're dancingSo many good things that we had
Can't help myself I feel so sad
I wish that you would speak to me
While we're dancingAnd I don't love you anymore
And we're dancing
You're not the one I'm falling for
But we are dancingI will not praise the times we had
And won't deny that I feel sad
The silence speaks for you and me
While we're dancingAnd I don't love you anymore
And we're dancing
You're not the one I'm falling for
But we are dancingSo many good things that we had
Can't help myself I feel so sad
I wish that you would speak to me
While we're dancing
