Umbrella

The Baseballs

You had my heart and we'll never be worlds apart
Oh, maybe in magazines
But you'll still be my star
Baby, 'cause in the dark
You can't see shiny cars
And that's when you need me there
With you I'll always share
BecauseWhen the sun shines, we'll shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath I'm a stick it out 'till the end
Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella
You can stand under my umbrellaHey, hey, hey, heyThese fancy things will never come in between
You're part of my entity
Here for infinity
When the war has took it's part
When the world has dealt it's cards
If the hand is hard
Together we'll mend your heart
BecauseWhen the sun shines, we'll shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath I'm a stick it out 'till the end
Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella
You can stand under my umbrellaHey, hey, hey, hey, heyYou can run into my arms
It's okay, don't be alarmed, come into me
There's no distance in between our love
So gonna let the rain pour
I'll be all you need and moreYou can stand, you can stand
You can stand, you can stand, you can, you can, stand standWhen the sun shines, we'll shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath I'm a stick it out 'till the end

Now that it's raining more than ever
Know that we'll still have each other
You can stand under my own umbrella
You can stand under my own umbrella
You can stand under my own umbrellaHey, hey, hey, hey, heyWhen the sun shines, we'll shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath I'm a stick it out 'till the end
Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrellaYou can stand, you can stand, you can stand
You can stand, you can stand, you can stand
You can stand, you can stand, you can standOh, oh, oh, oh (Oh you can stand)You can stand, you can stand, you can stand (Oh you can stand)
You can stand, you can stand, you can stand (Oh you can stand)
You can stand, you can stand, you can standUnder my umbrellaYou can stand, you can stand, you can stand
