## Foghat

Oh, what a night, sure had a real good time  
Oh, what a night, sure had a real good time  
You drink whiskey, I'll drink cheap red wineMy head started spinnin', eyes began to roll  
My head started spinnin', eyes began to roll  
Crazy fool, shoulda listened to what I've been toldBut I'm rollin' all night long  
Rollin' all night long, rollin' all night long  
Just another drink and I'll be gone, gone, goneAnd look at old Charlie standin' by a dollar bill  
Look at old Charlie, standin' by a dollar bill  
It may look good but it sure ain't no cheap thrillSo I'm rollin' all night long  
Rollin' all night long, rollin' all night long  
Just another drink and I'll be gone, gone, gone  
Well, I'm goneMy head started spinnin', eyes began to roll  
My head started spinnin', eyes began to roll  
Shouldn't do that, shouldn't do that  
Crazy fool, I drank too much alcohol, that's alrightNow I'm rollin' all night long  
Rollin' all night long, rollin' all night long  
One more drink and I'll be gone, oh, gone  
Gone, yeahWhoo, rollin', whoo  
Alright, John Lee HookerYeah, I got drunk last night  
And the night before  
If I get me some wine  
Gonna get drunk some moreI been rollin', rollin', rollin' all night long  
I said all night, all night, all night, all night  
Rollin' all night long, yeah, whooOh, what a night, sure had a real good time  
Oh, what a night, sure had a real good time  
You drink your whiskey, I'll drink my red wine, yeahWell, I'm rollin' all night long  
Rollin' all night long, rollin' all night long  
Just another drink and I'll be gone, gone, gone, gone  
Whoa, I'm gone
