

Mad World (feat. Jake Reese)

Hardwell

Sometimes it feels like my life's a battle
And I think I'm losing my mind
When all that surrounds me is made of shadows Oh I'm just a lost soul that's made of paper
But your touch can color the white
And bring back the beauty into my life Cause it's a mad world
But it's crazy
Crazy yeah you make the bad turn
To amazing
And I don't wanna lose this now
I don't wanna lose this now
No I don't wanna lose this now
Cause it's a mad world
Oh We're both strangers finding our way together
Like two lights that dance through the dark
We shine bright and fade out into forever And I'm tryin' to hold back the way I'm feeling
But you make me come back to life
Yeah you've got me going insane, tonight Cause it's a mad world
But it's crazy
Crazy yeah you make the bad turn
To amazing
And I don't wanna lose this now
I don't wanna lose this now
No I don't wanna lose this now
Cause it's a mad world
Oh Cause it's a mad world
Oh
