

You da One (Diamonds World Tour in Paris)

Rihanna

You the one that I dream about all day
You the one that I think about always
You are the one so I make sure I behave
My love is your love, your love is my love Baby, I love you, I need you here
Give me all the time
Baby we meant to be
You got me, smiling all the time 'Cause you know how to give me that
You know how to pull me back
When I go runnin', runnin'
Tryin' to get away from loving ya You know how to love me hard
I won't lie, I'm falling hard
Yep, I'm falling for ya
But there's nothin' wrong with that You the one that I dream about all day
You the one that I think about always
You are the one so I make sure I behave
My love is your love, your love is my love You the one that I dream about all day
You the one that I think about always
You are the one so I make sure I behave
My love is your love, your love is mine Baby come, tear me now, hold me now
Make me come alive
You got the sweetest touch
I'm so happy, you came in my life 'Cause you know how to give me that
You know how to pull me back
When I go runnin', runnin'
Tryin' to get away from loving ya
You know how to love me hard
I won't lie, I'm falling hard
Yep, I'm falling for ya but there's nothin' wrong with that You the one that I dream about all day
You the one that I think about always
You are the one so I make sure I behave
My love is your love, your love is my love You the one that I dream about all day
You the one that I think about always
You are the one so I make sure I behave
My love is your love, your love is mine And yes I'm kinda crazy
That's what happens baby
When you put it down
You shouldn't've give it to me good like that
Shouldn't've hit it like that, had me yellin' like that
Didn't know you would've had me coming back You the one that I'm feeling

You the one that I'm loving
Ain't no other, niggas like you
No there's just one, one, one
No baby just one, one, one
I bet you wanna know You the one that I dream about all day
You the one that I think about always
You are the one so I make sure I behave
My love is your love, your love is my love You the one that I dream about all day
You the one that I think about always
You are the one so I make sure I behave
My love is your love, your love is mine
