

Basbhat

The Audition

For so long I have been attacked by your words
And never holding back
Now you're scared of where I have been
I was never alone, yeah I won't ever let this go
This is the path, the life I chose
My life [Incomprehensible] my insides on my back
I'll keep my legs as strong as I can I've been misguided by you
I've been mistreated too
If you think I'm gonna take it, no I've been misguided by you
I've been mistreated too
If you think I'm gonna take it, no Thought you had me tied up by a string on the side
Something I've been wanting
Said you're leavin' but to my defense
I was never alone, yeah I won't ever let this go
This is the path, the life I chose
My life [Incomprehensible] my insides on my back
I'll keep my legs as strong as I can I've been misguided by you
I've been mistreated too
If you think I'm gonna take it, no I've been misguided by you
I've been mistreated too
If you think I'm gonna take it, no Say you want more but it's all I got
I wanna make sure that you know I won't stop
You thought you had me, baby
You thought you had me, baby Say you want more but it's all I got
I wanna make sure that you know I won't stop
You thought you had me, baby
You never you had me, baby I've been misguided by you
I've been mistreated too
If you think I'm gonna take it, no I've been misguided by you
I've been mistreated too
If you think I'm gonna take it, no
