The Audition

For so long I have been attacked by your words And never holding back Now you're scared of where I have been I was never alone, yeahI won't ever let this go This is the path, the life I chose My life [Incomprehensible] my insides on my back I'll keep my legs as strong as I canI've been misguided by you I've been mistreated too If you think I'm gonna take it, noI've been misguided by you I've been mistreated too If you think I'm gonna take it, no Thought you had me tied up by a string on the side Something I've been wanting Said you're leavin' but to my defense I was never alone, yeahI won't ever let this go This is the path, the life I chose My life [Incomprehensible] my insides on my back I'll keep my legs as strong as I canI've been misguided by you I've been mistreated too If you think I'm gonna take it, noI've been misguided by you I've been mistreated too If you think I'm gonna take it, noSay you want more but it's all I got I wanna make sure that you know I won't stop You thought you had me, baby You thought you had me, babySay you want more but it's all I got I wanna make sure that you know I won't stop You thought you had me, baby You never you had me, babyI've been misguided by you I've been mistreated too If you think I'm gonna take it, noI've been misguided by you I've been mistreated too
