

Somebody Save Me

Cinderella

When I was a young boy
They said, "You're only gettin' older"
But how was I to know then
That they'd be cryin' on my shoulder
Put your money in a big house
Get yourself a pretty wife
She'll collect your life insurance
When she connects you with a knife
Somebody get the doctor
I'm feelin' pretty poor
Somebody get the stretcher
Before I hit the floor
Somebody save me, I lost my job
They kicked me out of my tree
Somebody save me, save me
And everybody's got opinions
But nobody's got the answers
And that shit you ate for breakfast
Well, it'll only give you cancer
We're runnin' in a circle
Runnin' to the morning light
And if ya ain't quite workable
It's been one hell of a night
Somebody get the doctor
I think I'm gonna crash
Never paid the bill
Because I ain't got the cash
Somebody save me, I lost my job
They kicked me out of my tree
Somebody save me, save me, look out
Save me, I lost my job
They kicked me out of my tree
Somebody save me, oh, save me
Somebody save me
I'm goin' down for the last time, look out
Save me, save me, save me
