If It Ain't Gonna Change

Pretty Maids

I Ain't got a lot to say
And I don't like this game you're playing
I really need you baby
What I thought could be forever
Now I realize will never
Ever be the same againAnd I know
That I have to regret
When you go
And there's no one insteadIf it ain't gonna change
I'll be loosing my mind
The way to your heart
Is so hard to find
I it ain't gonna change
And if you won't be back some day
I can't carry on
If it ain't gonna change some dayHey girl you hold the key
To unlock me from these chains
If there's a chance that we can make it
Then why don't we just take it baby
It could be so easy you see
And I know
All the things that I said
When you go
It's too late to regretChorusNow tell me do I ever cross your mind
Do you think of me
You're gonna give me all your love right now
That's all I need oh yeahGirl you know
There's a place in my heart we could go
We could start from the startChorus
