

Feel (Live at Knebworth)

Robbie Williams

Come and hold my hand
I wanna contact the living
Not sure I understand
This role I've been given
I sit and talk to God
And he just laughs at my plans
My head speaks a language
I don't understand I just wanna feel
Real love feel the home that I live in
'Cause I got too much life
Running through my veins
Going to waste
I don't wanna die
But I ain't keen on living either
Before I fall in love
I'm preparing to leave her Scare myself to death
That's why I keep on running
Before I've arrived
I can see myself coming I just wanna feel
Real love feel the home that I live in
'Cause I got too much life
Running through my veins
Going to waste
And I need to feel
Real love and the love ever after
I cannot get enough I just wanna feel
Real love feel the home that I live in
I got too much love
Running through my veins
To go to waste I just wanna feel
Real love and the love ever after
There's a hole in my soul
You can see it in my face
It's a real big place Come and hold my hand
I wanna contact the living
Not sure I understand
This role I've been given
Not sure I understand
Not sure I understand

Not sure I understand

Not sure I understand
