

Floating (feat. Haley)

Kaskade

Now in the silence
I find myself alone
It's just what I wanted
To be on my own Floating on the water
Staring in tonight
Soaking up the magic
Specks of tiny light Oh oh
Oh Now in this small bed
When all have gone away
It's the time that I bonded
The time that I prayed Floating on the water
Staring in tonight
Soaking up the magic
Specks of tiny light Floating on the water
Staring in tonight
Soaking up the magic
Specks of tiny light Oh oh
Oh
