

# Delilah

Tom Jones

I saw the light on the night that I passed by her window  
I saw the flickering shadow of love on her blind  
She was my woman  
As she deceived me I watched and went out of my mindMy my my Delilah  
Why why why Delilah  
I could see, that girl was no good for me  
But I was lost like a slave that no man could freeAt break of day when that man drove away I was waiting  
I crossed the street to her house and she opened the door  
She stood there laughing  
I felt the knife in my hand and she laughed no moreMy my my Delilah  
Why why why Delilah  
So before they come to break down the door  
Forgive me Delilah I just couldn't take any moreShe stood there laughing  
I felt the knife in my hand and she laughed no moreMy my my Delilah  
Why why why Delilah  
So before they come to break down the door  
Forgive me Delilah I just couldn't take any moreForgive me Delilah I just couldn't take any more
