

# Tutti Frutti (Single Version)

## New Order

Tutti frutti  
Amore mioLife is so crazy these days  
I don't know how to adjust  
Are we the master or slave?  
Do we need passion or lust?Are we just caught in the days  
So many words in a phrase  
Life is so crazy these days  
Life is so crazy these daysYou've got me where it hurts  
But I don't really care  
'Cause I know I'm okay  
Whenever you are there  
You take me to a place  
I always wanna go  
You always make me high  
Whenever I feel lowI'm paper in your hand  
I'm under your command  
And I'll never let you go  
'Cause you're that girlTutti fruttiI had a beautiful dream  
For a picture so serene  
But I don't know what it means love  
I just want your loveGeneration's lost in space  
Trying to find the human race  
We're living in a state of grace  
Where every scholar means a dollarAnd sometimes I just can't go on  
I feel like I'm a setting sun  
I know my eyes are burning bright  
I just need you to make it rightYou've got me where it hurts  
But I don't really care  
'Cause I know I'm OK  
Whenever you are there  
You take me to a place  
I always wanna go  
You always make me high  
Whenever I feel lowI'm paper in your hand  
I'm under your command  
And I'll never let you go  
'Cause you're that girlTutti fruttiYou've got me where it hurts  
But I don't really care  
'Cause I know I'm OK

Whenever you are there  
You take me to a place  
I always wanna go  
You always make me high  
Whenever I feel low You've got me where it hurts  
But I don't really care  
'Cause I know I'm OK  
Whenever you are there  
You take me to a place  
I always wanna go  
You always make me high  
Whenever I feel low I'm paper in your hand  
I'm under your command  
And I'll never let you go  
'Cause you're that girl Tutti frutti Non mi interessa il nome vero  
Non mi interessa la vita reale  
Quella canzone  
E tu?  
Sei tutti i frutti
