We so Fly

The GGGG's

Here we go
Caught me sneaking out the back
Daddy chased me down the street
Good thing I've been running track
Hell ground me till I'm 83Gonna meet up with my homies'
Party like were VIP
You'd be glad to say you know me
Satisfaction guaranteedSo rock with us tonight
We so fly We so fly We so fly
We hate your b.s. We so fly We so flyGonna wait until its dark
If the neighbors only knew
Creeping in your backyard
Cannonball into the poolThen well party back at your place
You don't even understand
Wed be drowning out the d.j.
Yeah well scream until we cantSo rock with us tonight
We so fly We so fly We so fly
We hate your b.s. We so flyGirl you know we got that mad swag
Baby we know where its at
Girl you know we got that mad swag
Baby we know where its where its atWe so fly We so fly We so fly
We hate your b.s. We so fly We so fly We so fly
We hate your b.s. We so fly We so fly
