Bad Weather Blues

Leon Huff

Well, I've been away, I said I been away for so long
Tell me, have you, have you done me wrong?
Can I tell by the look that's in your eyes?Have you kept your loving locked away inside?
Can you shake the dust from off my shoes and
Take away these bad weather blues?I got Thai, I got Thai in Hawaii
I got laid and I got bathed out in Japan
Spent a night in the jailhouse all aloneThis never would have happened if I'd stayed at home, oh no
Can you shake the dust from off my shoes
Take away these bad weather blues?Can you shake the dust? Can you shake the dust?
Can you make me shine?
Can you shake the dust and make me shine
Like they do in Sheffield all the time?I've been everywhere around the world
I've seen every, every kind of girl, yeah
But if you love me the way that I think I knowBaby we can make, make that old lovin' flow
Can you shake the dust from off my shoes
Take away these bad weather blues?
