

Where Does This Disco?

YACHT

Dontcha wanna make me move
when the needle's locked in the groove, yeah
I made myself a copy of you
when you told me that my dreams would come true I'm spinning round and round for you

A lonely one

check check

checking on two

I'm sitting in an empty room
pixels acting with pictures of you, you, you ...

Where does this disco?

Ain't rug roll, ain't disco

Where does this disco?

Ain't rug roll, ain't disco

Where does this disco?

Ain't rug roll, ain't disco

Where does this disco?

Ain't rug roll, ain't disco Dontcha wanna make me move

It feels like we're stuck in a loop

Repetition is a truth

Over and over and over

and all night I keep on playing hits for you

Fade me out and raise the lights

I try to squeeze myself in two (in two)

I fall in love with all of you, you, you ...

Where does

Dontcha wanna make me move

this disco?

When the needle's locked in the groove, yeah

Ain't rug roll

Doncha wanna make me move

ain't disco

When the needle's locked in the groove, yeah

locked in the groove, yeah

locked in the groove, yeah

locked in the

locked in the

locked in

locked in

locked in

locked inThey're looking (?) at the way you look
Tonight,
two tights, one hookAnd it sounded just like you
singing all the words I knew
The memories are made to fade
A broken heart won't erase
I'll always remember your shape
A clear circle dot I can't break, break, breakWhere does this disco?
Ain't rug roll, ain't disco
Where does this disco?
It ain't funk, ain't disco
Where does this disco?
Ain't acid, ain't disco
Where does this disco?
Ain't rug roll, ain't disco
