

You Alone Are God

Hillsong

I've confessed my whole
In the light of your salvation
Where I lose myself
I will find You're what I need And save my soul of the Saviors love
And save my soul unto God alone I will meet you here
In the life we call surrender
Let the world I know
Be the glory of Your grace, Master And save my soul of the Saviors love
And save my soul unto God alone
And save my soul of the Saviors love
And save my soul unto God alone You alone are God, You alone are God
We declare the glory of Your name
For You alone are God, You alone are God
We declare the glory of Your name Waiting on the earth, waiting on the earth, Jesus
Waiting on the earth, waiting on the earth, Jesus You alone are God, You alone are God
And we declare the glory of Your name
You alone are God, You alone are God
And we declare the glory of Your name Waiting on the earth, waiting on the earth, Jesus
Waiting on the earth, waiting on the earth, Jesus
Waiting on the earth, waiting on the earth, Jesus
Waiting on the earth, waiting on the earth, Jesus
