

# Thinking

## Nawal

I can't stop thinking while I'm on the can  
Your eyes pop in my mind again and again  
    Oh Annie, why can't you understand  
Every night I dream about being your man

    But every time I come up to you  
My throat turns dry, I'm tripping on my shoes  
    I don't know what I'm gonna do  
    I don't know what I'm gonna do

Cause I think I have fallen in love with you  
Cause I think I have fallen in love with you  
    It's true

    Wishing that you'd come up to me  
You're always on my mind, you're driving me crazy  
    I'm missing your personality  
You're always on my mind, you're making me lazy

    But every time I come up to you  
My throat turns dry, I'm tripping on my shoes  
    I don't know what I'm gonna do  
    I don't know what I'm gonna do

Cause I think I have fallen in love with you  
Cause I think I have fallen in love with you  
So please, oh please won't you tell me that you love me too
