

Malibu

Miley Cyrus

I never came to the beach or stood by the ocean
I never sat by the shore under the sun with my feet in the sand
But you brought me here and I'm happy that you did
'Cause now I'm as free as birds catching the wind I always thought I would sink, so I never swam
I never went boatin', don't get how they are floatin'
And sometimes I get so scared of what I can't understand But here I am
Next to you
The sky is more blue
In Malibu
Next to you
In Malibu
Next to you We watched the sun go down as we were walking
I'd spend the rest of my life just standing here talking
You would explain the current, as I just smile
Hoping I just stay the same and nothing will change
And it'll be us, just for a while
Do we even exist?
That's when I make the wish
To swim away with the fish Is it supposed to be this hot all summer long?
I never would've believed you
If three years ago you told me
I'd be here writing this song But here I am
Next to you
The sky is so blue
In Malibu
Next to you
In Malibu
Next to you Next to you
The sky is so blue
In Malibu
Next to you We are just like the waves that flow back and forth
Sometimes I feel like I'm drowning and you're there to save me
And I wanna thank you with all of my heart
It's a brand new start
A dream come true
In Malibu
