Lucidity

Heptagram

I know where you went but
I don't know how you got
there, I know where you
went but I don't know how
you got there, Silver tongue
hill where you talk up what
I' d play down, I would
speak up but I wouldn't
know what to say.Lucidity, come back to me,
put all five senses back to
where they're meant to be
Oh it's hard
to tell, it breaks down, there
is a will, there is a wayWondering around like spare
time never knew it, I might
suck fizzle or I might just
float awayAnd we'll go running off
tonight, high above, where we
won't even need to recah the
sky, my love.
Oh there will be a change
in the air, nobody will be
anybody else.Lucidity, come back to me,
put all five sense back to
whwere they're meant to be.
Oh where we'll go, tip toe,
tread boldly right down
to the lair
