

# Expectations

## Belle and Sebastian

Monday morning wake up knowing that you've gotta go to school  
Tell your Mum what to expect, she says "It's right out of the blue"  
Do you went to work in Debenham's, because that's what they expect  
Start in lingerie and Doris is your supervisor  
And the head said "That you always were a queer one from the  
start"  
For careers you say you wanna be remembered for your art  
Your obsessions get you known throughout the school for being strange  
Making life-size models of the velvet underground in clay  
In the queue for lunch they take the piss, you've got  
no appetite  
And the rumor is you never go with boys that you are tight  
So they jab you with a fork, you drop the tray and go berserk  
While you're cleaning up the mess the teacher's looking up your skirt  
Hey you've been used  
Why you can't settle down?  
Write a song, I'll sing along  
Soon you will know that you are sane  
You're on top of the world again  
Monday morning wake up knowing that you've got to go to school  
Tell your Mum what to expect, she says "It's right out of the blue"  
You wanna work in C&A, 'cause that's what they expect  
Move to lingerie and take a feel off Joe the store man  
Tell Veronica the secrets of the boy you never kissed  
She's got everything to gain 'cause she's a fat girl with a lisp  
She sticks up for you when you get aggravation from the snobs  
'Cause you can't afford a blazer girl you're always wearing clogs  
At the interval you lock yourself away inside a  
room  
Head of English gets you asks you  
"What the hell do you think you're doing?"  
Do you think you're better then the other kids? Well get outside  
You've got permission, you've got to make the bastard think he's right  
Hey you've been used  
Write a song, I'll sing along  
Why you can't settle down?  
Soon you will know that you are sane  
You're on top of the world again  
Are you true and you know  
You're a star and you'll go far  
Listen to me as a friend not just look okay guitar  
You're on top of the world again
