

Islands in the Stream (with Constantines)

Feist

Baby when I met you there was peace unknown
I set out to get you with a fine tooth comb
I was soft inside there was something going on You do something to me that I can't explain
Hold me closer and I feel no pain every beat of my heart
We got something going on Tender love is blind it requires a dedication
All this love we feel needs no conversation
We ride it together, uh huh
Makin' love with each other, uh huh Islands in the stream that is what we are
No one in between how can we be wrong?
Sail away with me to another world
And we rely on each other, uh huh
From one lover to another, uh huh I can't live without you if the love is gone
Everything is nothing if you got no one
And you did walk in the night
Slowly losin' sight of the real thing But that won't happen to us and we got no doubt
Too deep in love and we got no way out
And the message is clear this could be the year for the real thing No more will you cry, baby I will hurt you never
We start and end as one in love forever
We can ride it together, uh huh
Makin' love with each other, uh huh Islands in the stream that is what we are
No one in between how can we be wrong?
Sail away with me to another world
And we rely on each other, uh huh
From one lover to another, uh huh Islands in the stream that is what we are
No one in between how can we be wrong?
Sail away with me to another world
And we rely on each other, uh huh
From one lover to another, uh huh Islands in the stream that is what we are
No one in between how can we be wrong?
Sail away with me to another world
And we rely on each other, uh huh
From one lover to another, uh huh Islands in the stream that is what we are
