My Life Is Right (Alternate Mix, 1972)

Big Star

Once I walked a lonely road
I had no one to share my love
But then you came and showed the way
And now I hope you're here to stayYou give me light
You are my day
You give me life
And that's right
You give me light
You are my day
You give me life
And that's right
So right
So right, so rightLonely days of uncertainty
They disappear when you're near me
When you're around my life's worthwhile
And now I long to see you smileYou give me light
You are my day
You give me life
And that's right
You give me light
You are my day
You give me life
And that's right
So right
So right, so right
My life is right
My life is right
My life is rightOnce I walked a lonely road
I had no one to share my love
But then you came and showed the way
And now I hope you're here to stayYou give me light
You are my day
You give me life
And that's right
You give me light
You are my day
You give me life
And that's right
So right

So right, so right
My life is right
