

If You Wanna Touch Her, Ask!

Shania Twain

Let me let you in on a secret
How to treat a woman right
If you're lookin' for a place in her heart
It ain't gonna happen overnight First you gotta learn to listen
To understand her deepest thoughts
She needs to know you can be friends
Before she'll give you all she's got If you start from the heart
You'll see love is gonna play it's part If you wanna get to know her
Really get inside her mind
If you wanna move in closer
Take it slow, yeah, take your time You must start from the heart and then
If you wanna touch her
Really wanna touch her
If you wanna touch her, ask A little physical attraction
Romantic, old-fashioned charm
And a lot of love and tenderness
Is gonna get you into her arms You gotta start from the heart
You'll see love is gonna play it's part If you wanna get to know her
Really get inside her mind
If you wanna move in closer
Take it slow, yeah take your time You must start from the heart and then
If you wanna touch her
Really wanna touch her
If you wanna touch her, ask Let me let you in on a secret
How to treat a woman right
If you're lookin' for a place in her heart
It ain't gonna happen, no it ain't gonna happen If you wanna get to know her
Really get inside her mind, deep down yeah
If you wanna move in closer
Take it slow, yeah, take your time If you wanna get to know her
Really get inside her mind
If you wanna move in closer
Take it slow, yeah, take your time Where you must start from the heart
You'll see love is gonna play it's part
If you wanna touch her
Really wanna touch her
If you wanna touch her, ask
