

# Nice Boys

## Guns N' Roses

She hit town like a rose in bloom  
Smellin' sweet, sweet perfume  
The color faded the petals died  
Down in the city no one cried  
In the streets garbage lies  
Protected by a million flies  
The roaches so big you know that they got bones  
Moved in and made a tenement home I said

Chorus:

Nice boys don't play rock and roll  
Nice boys don't play rock and roll  
I'm not a nice boy!  
Sweet sixteen she was fresh and clean  
Wanted so bad to be part of the scene  
She met the man and she did the smack  
She paid the price layin' flat on her back  
Wanted so bad just to please the boys  
The ended up just being a toy  
Played so hard burned her life away  
Lies were told no promises made  
You know  
Nice boys don't play rock and roll  
Nice boys don't play rock and roll  
I'm not a nice boy!

And I never was  
Young and fresh when she hit town  
Hot for kicks just to get around  
But now she lays in a filthy room  
She kills the pain with a fuck and a spoon  
In the streets garbage lies  
Protected by a million flies  
You know the roaches so big  
You know that they got bones  
Moved in and made a tenement home

Chorus:

Nice boys don't play rock and roll  
Nice boys don't play rock and roll  
Nice boys don't play rock and roll

Nice boys don't play rock and roll  
Nice boys don't play rock and roll  
Na Na Na Na Na Na, baby  
Nice boys don't play rock and roll  
Nice boys don't play rock and roll  
I'll bet your mamma said, Nice boys don't play rock and roll  
Nice boys don't play rock and roll  
Nice boys don't play rock and roll
