

Fatherland

Die Krupps

I see houses burning, I'm ashamed
Before you close your eyes denying me
You'd better ask yourself
Did I choose something I could regret? Did I do something I should regret?
Is this the place I used to call fatherland?
Is this the place I used to know as fatherland?
I should regret Is this the place I used to call fatherland?
Is this the place I used to know as fatherland?
The silence is illusion, stay awake
I hear children cry in fear and hate Do cowards ask themselves?
Did I choose something I could regret?
Did I do something I should regret?
Is this the place I used to call fatherland? Is this the place I used to know as fatherland?
Did I choose something I could regret?
Did I do something I should regret?
Is this the place I used to call fatherland? Is this the place I used to know as fatherland?
Is this the place I used to call fatherland?
Is this the place I used to know as fatherland?
Is this the place I used to call fatherland? Is this the place I used to know as fatherland?
Is this the place I used to call fatherland?
Is this the place I used to know--
I should regret Is this the place I used to call fatherland?
Is this the place I used to know as fatherland?
Is this the place I used to call fatherland?
Is this the place I used to know as fatherland? Fatherland [Repeat: x 6]
