

(Still Be) Lovin' You

R. Scott

Seems the new world has come undone
Weâ€™ve been sold out by the Devilâ€™s Son

And when the days are hot and nights are long
Iâ€™ll still be lovinâ€™ you

The open road is now a bankerâ€™s scheme
Earn a greenback, buy a dream

And though the days are hot and nights are long
Iâ€™ll still be lovinâ€™ you

Your picture postcard in my hand
Another mile in the desert sand
Oh man, my hands are shakinâ€™

Your picture postcard in my hand
Another mile in the desert sand
Oh man, my heart is achinâ€™

Now the lines are deep and day is done
I canâ€™t remember when to walk or run

And though the days are hard and nights are long
Iâ€™m still in love with you

And when the days are hard and nights are long
Iâ€™ll still be lovinâ€™ you

Still Be Lovinâ€™ You
