

# Storming Vengeance

## Bestial Warlust

I am the vengeance, I am the hate  
We are the demons, that are storming heavens gate  
Attack, charge, kill  
Bring down the walls  
Burn down the crosses  
Make the women whores(We) bring blood to the streets, and death to the peace  
Burn down their laws, and tear down their Gods  
Attack the pearly gates  
Smash them to the ground  
Tear down their thrones  
Bring the Gods down  
The flames of burning churches  
Lights a brave new world  
But still there is war, and their helter helter  
And still there is blood, cos we bring helter skelter  
War storming vengeance  
Stormtrooping hate  
Skull fucking violence  
Violent fucking hate[Repeat Chorus][Repeat 1st Verse]  
Attack, Charge, Kill  
Bring down the walls  
Burn down the crosses  
Make them fucking ours(We) Bring blood to the streets, and death to the peace  
Burn down their laws, and tear down their Gods  
Attack the pearly gates  
Smash them to the ground  
Tear down their thrones  
Bring the Gods down
