

Sad Statue

System of a Down

Conquest to the lover and your love to the fire
Permanence unfolding in the absolute
Forgiveness is the ultimate sacrifice
Eloquence belongs to the conquerorThe pictures of time and space are rearranged
In this little piece of typical tragedy
Justified candy, brandy for the nerves
Eloquence belongs to the conquerorYou and me we'll all go down in history
With a sad Statue Of Liberty and a generation that didn't agree
You and me we'll all go down in history
With a sad Statue Of Liberty and a generation that didn't agreeI forgot to, I forgot to let you know that
Justified candy, brandy for the nerves
Eloquence belongs to the conquerorConquest to the lover and your love to the fire
Permanence unfolding in the absolute
Forgiveness is the ultimate sacrifice
Eloquence belongs to the conquerorYou and me we'll all go down in history
With a sad Statue Of Liberty and a generation that didn't agree
You and me we'll all go down in history
With a sad Statue Of Liberty and a generation that didn't agree
GenerationWhat is in us that turns a deaf ear
To the cries of human suffering
Suffering now
Suffering nowYou and me we'll all go down in history
With a sad Statue Of Liberty and a generation that didn't agree
You and me we'll all go down in history
With a sad Statue Of Liberty and a generation that didn't agree
Generation
Belonging, belonging to
