Sad Statue

System of a Down

Conquest to the lover and your love to the fire

Permanence unfolding in the absolute

Forgiveness is the ultimate sacrifice

Eloquence belongs to the conquerorThe pictures of time and space are rearranged

In this little piece of typical tragedy

Justified candy, brandy for the nerves

Eloquence belongs to the conquerorYou and me we'll all go down in history

With a sad Statue Of Liberty and a generation that didn't agree

You and me we'll all go down in history

With a sad Statue Of Liberty and a generation that didn't agreeI forgot to, I forgot to let you know that

Justified candy, brandy for the nerves

Eloquence belongs to the conquerorConquest to the lover and your love to the fire

Permanence unfolding in the absolute

Forgiveness is the ultimate sacrifice

Eloquence belongs to the conquerorYou and me we'll all go down in history

With a sad Statue Of Liberty and a generation that didn't agree

You and me we'll all go down in history

With a sad Statue Of Liberty and a generation that didn't agree

GenerationWhat is in us that turns a deaf ear

To the cries of human suffering

Suffering now

Suffering now You and me we'll all go down in history

With a sad Statue Of Liberty and a generation that didn't agree

You and me we'll all go down in history

With a sad Statue Of Liberty and a generation that didn't agree

Generation

Belonging, belonging to
