

# Do You Wish It Was Me?

Gary Allan

When your phone rings  
When there's a late night knock at your door  
When you slow dance  
When you hold hands  
When you're looking for more

Do you wish it was me  
Waking up next to you  
Pouring you your coffee  
Making love all night long  
Do you ever want me  
When the sun doesn't shine  
When the rain pours down  
When you reach for somebody  
Do you wish it was me

At a red light  
On a bar stool buying you drinks  
When he looks at you  
When he kisses you  
When he tells you that he loves you

Do you wish it was me  
'Cause I wish it was you  
Saying your mine  
Baby one more time

Do you wish it was me  
Pouring you your coffee  
Tell me baby, do you ever want me  
When the sun doesn't shine  
When the rain pours down  
When you reach for somebody  
Do you wish it was me  
'Cause I wish it was you  
Do you wish it was me  
'Cause I wish it was you  
Do you wish it was me
