

Three Wheel Cadillac (2016 Remastered)

Foghat

Well rave on baby, don't stop,
I love the way you do the crazy bop.
Three wheel Cadillac, three wheel Cadillac,
Lost on the highway, rockin' from side to side. Drivin' sideways, ninety-five,
Tell me baby, how you stay alive?
Three wheel Cadillac, she drives a three wheel Cadillac,
Lost on the highway, rockin' from side to side. Get on the right track baby, don't you treat me so bad.
You know they call you crazy, it must be drivin' you mad. Three wheel Cadillac, a three wheel Cadillac,
Lost on the highway, rockin' from side to side.
Ooh! Drivin' backwards, fast lane,
Gonna wind up in jail again.
Three wheel Cadillac, three wheel Cadillac,
Lost on the highway, rockin' from side to side. Get on the right track baby, well don't you treat me so bad,
You know they call you crazy, it must be drivin' you mad. Three wheel Cadillac, three wheel Cadillac,
Lost on the highway, rockin' from side to side.
Lost on the highway, rockin' from side to side.
Lost on the highway, rockin' from side to side. Cadillac bop-bop, Cadillac bop-bop
Cadillac bop-bop, Cadillac bop-bop
