

Cross Bones Style

Cat Power

Oh, how time flies
With crystal clear eyes
And cold as coal
When you're ending with diamond eyes Oh, come child
In a crossbones style
Oh, come child
Come and rescue me
'Cause you have seen some
Unbelievable things Hater, I have your diamonds and still
'Cause you have seen some
Unbelievable things
Hater, I have your diamonds Oh, come child
In a crossbones style
Oh, come child
Come rescue me
'Cause you have seen some
Unbelievable things Hater, I have your diamonds and still
So still Oh, how time flies
With crystal clear eyes
And cold as coal
When you're ending with diamond eyes Oh, come child
In a crossbones style
Oh, come child
Come and rescue me
'Cause you have seen some
Unbelievable things
