Cross Bones Style

Cat Power

Oh, how time flies With crystal clear eyes

And cold as coal

When you're ending with diamond eyesOh, come child

In a crossbones style

Oh, come child

Come and rescue me

'Cause you have seen some

Unbelievable thingsHater, I have your diamonds and still

'Cause you have seen some

Unbelievable things

Hater, I have your diamondsOh, come child

In a crossbones style

Oh, come child

Come rescue me

'Cause you have seen some

Unbelievable thingsHater, I have your diamonds and still

So stillOh, how time flies

With crystal clear eyes

And cold as coal

When you're ending with diamond eyesOh, come child

In a crossbones style

Oh, come child

Come and rescue me

'Cause you have seen some

Unbelievable things
