

Back Seat Confidential

AC/DC

???? almost every night
???? still alright
???? drive in show [gonna go to the drive....]
???? gonna sit in the back ???? [gonna sit in the back of
The passion row]Tune in the soundtrack
Turn down the lights
A chance she won't and a chance she might
Ain't no woman in the world I know
????
????
????
Who know what's going onBack seat confidentialSittin on ????
????
???? connection
She ???? my prediction
???? listen to me
????
???? real nice
Every man's got his price
????
????
????Back seat confidential???? almost every night
???? still alright
???? drive in show
????Turn up the soundtrack
Turn down the lights
Don't suppose there's a chance you might
Ain't no woman in the world I know
???? on the back seat floor????
???? going down
????
????Back seat confidential
Back seat confidential
