New World

Reamonn

This is our world but they destroy it
They'll watch it burn in hell
This is our world but they destroy it
They'll watch it burn in hellThis is our time, we are the sign
They can't take that away
This is your dream, hear the future scream
For a brand new dayOne two buckle my shoe
Three four knock on the door
Five six pick up sticks
Seven eight then it's to lateThis is our world, they burn it
So they burn in hell
This is our world they burn it
So they burn in hell, burn in hellWatch the clock, you watch it tic
You watch it toc
Watch the slip of time, this our world
It's not yours it's not mineThis is the dream, this is the time
We can make it turn, we can't just watch
Just watch as it burns
This our world but we destroy it
We need to save ourselvesOne two buckle my shoe
Three four knock on the door
Five six pick up sticks
Seven eight then it's to lateThis is our world, they burn it
So they burn in hell
This is our world, they burn it
So they burn in hell, burn in hellCan't you see, yeah?
Can't you see that this is our world?
