Biting Bullets

JamisonParker

Don't you wonder is anyone that strong?
It takes me under believing what I'm seeing
I get so tired of watching friends go down
The hungry tiger, for all who never beganBiting bullets
Biting the cloudsBiting bullets
Biting the cloudsI saw the show shaking all the babies
Should I believe the parade of clever lies
Shadow of light in the shadow of death
There is no difference to all who never beganBiting bullets
Biting the cloudsBiting bullets
Biting the cloudsThere was a time
There was a way to live
And it's no secret
That it won't come back againI lose myself like anybody else
But I'm not so strong to make it in the end
I need some answers when the day comes crashing down
'Cause it's all over, when there's no one to be foundBiting bullets
Biting the cloudsBiting bullets
Biting the cloudsBiting bullets
Biting the cloudsBiting bullets
Biting the clouds
