

# Defender

Gabriella Cilmi

When nobody's listening  
When you get lost in the crowd  
When you don't have the answer  
I'll help you figure it out I won't let you down  
As long as I live I will keep you from harm  
If they wanna get to ya  
They'll have to get through me first So just remember  
I am your defender  
I won't let you stand there on your own  
No matter what they tell ya I will not surrender  
Now until forever  
You will never  
Be alone When wallets are flying  
When bombs are hitting the ground  
When you can't see through the fire  
You know I'll pull you out I know that you're strong  
When the tables are turned  
You'll be back by my side  
And if they wanna break us  
Well, just let them try So just remember  
I am your defender  
I won't let you stand there on your own  
No matter what they tell ya I will not surrender  
Now until forever  
You will never  
Be alone No way, I won't surrender  
I'm here now till forever  
Hold on in this together  
You know I'm your defender I am your defender  
I will not surrender  
Now until forever  
You will never  
Be alone No way, I won't surrender  
I'm here now till forever  
Hold on, we're in this together  
You know I'm your defender No way, I won't surrender  
I'm here now till forever  
Hold on, we're in this together

You know I'm your defender
