If I Could Only Fly

Blaze Foley

I almost felt you touching me just now
I wish I knew which way to turn and go
I feel so good and then, then I feel so bad
I wonder what I ought to doIf I could only fly, if I could only fly
I'd bid this place goodbye to come and be with you
But I can hardly stand and I got no where to run
Another sinking sun and one more lonely nightThe wind keeps blowing, somewhere, everyday
Tell me things get better, somewhere, up the way
Just dismal thinking on a dismal day
And sad songs for us to bareIf I could only fly
If we could only fly
If we could only fly
There'd be no more lonely nightsYou know, sometimes, I write happy songs
Then some little thing goes wrong
I wish they all could make you smileComing home soon and I wanna stay
Maybe we can, somehow, get away
I wish you could come with me when I go againIf I could only fly, if I could only fly
I'd bid this place goodbye to come and be with you
But I can hardly stand and I got no where to run
Another sinking sun and one more lonely night
