Who Are You?

Kathryn Calder

Who are you?Who are you to say,
Who are you to say what you said?And when you sighed
Our lies were opened up wide
And we'll shake loose
The hands we once had tiedI'll wait to cross
The molten river of us
I'll see you there
Along the other sideWho are you?Always hanging on, barely hanging on,
You're barely slipping
And when we die
Our mouths will open up wide
And we'll shake loose
The hands we once had tiedI'll wait to cross
The molten river of us
I'll see you there
Along the other sideSo, so, so, why would you want it?
Did you get what you wanted?
After all?
So, so, so, you got what you wanted.
Did you get what you wanted?
After all?Who are you?Who are you to say,
Who are you to say what you said?
But now I've met
A hundred songs in this chest
Not all will fall
And find us broken in bed
I'll wait to cross
The molten river of us
I'll see you there
Along the other sideSo, so, so you got what you wanted?
Did you get what you wanted?
After all?
So, so, so you got what you wanted?
Did you get what you wanted?
After all?
