

# Valerie (Matt Mendez & Riggs Unofficial Remix)

## The Weeknd

There comes a time in a man's life

He must take responsibility

For the choices he has made

There are certain things that he must do

Things that he must say Like I Love you

And I need you

I only want you

And nobody's goin' to know if it's true I never thought I'd feel this kind of hesitation (tonight)

My hand on another girl

I wish I didn't have to lie

I wish I could let you know 'Cause I love you

And I need you

I only want you

And nobody's going to know if it's true Valerie

I know you can see through me

Valerie

You just choose to never know

Valerie

Why pretend to trust in me?

(I don't know why you try to trust in me baby, but I think I might know )

Valerie

You'd rather this than be alone

(Oh, oh, oh, oh, oh, oh) 'Cause I love you

And I need you

I only want you

And nobody's going to know if it's true 'Cause I love you

And I need you

I only want you

And nobody's going to know if it's true And I love you

And I need you

I only want you

And nobody gonna know
