Tangled Up In You

Staind

Youre my world, the shelter from the rain
Youre the pills that take away my pain
Youre the light that helps me find my way
Youre the words when I have nothing to sayAnd in this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in you
Still tangled up in youYoure the fire that warms me when Im cold
Youre the hand I have to hold as I grow old
Youre the shore when I am lost at sea
You're only thing that I like about meAnd in this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in youHow long has it been since this storyline began
And I hope it never ends and goes like this foreverIn this world where nothing else is true
Here I am still tangled up in you, tangled up in you
Im still tangled up in you
Still tangled up in you
