

Black Francis

The Orwells

When I get it
I'm never gonna stop
we should hit it
I think they called the cops
Went a little mad
Do they give a fuck
Now they feeling bad
And I'm out of luck
Have you heard that band
Yeah I think they're shit
and the way they dress
yeah they think they're hip
and what they say
yeah it's all a bluff
and where they're from
man it ain't that rough
Black franks got my world in his hands
Black franks got my world in his hands
Viva loma rica
Viva loma rica
Viva loma rica
Viva loma ricaSomeone tell me what the wise man said
If you want a A brother
Better bring a friend
And if you need a lover
Better keep them fed
Cause if you lose a lover
You're gonna lose your headBlack franks got my world in his hands
Black franks got my world in his hands
Viva loma rica
Viva loma rica
Viva loma rica
Viva loma rica
Black franks got my world in his hands
Black franks got my world in his hands
Black franks got my world in his hands
Black franks got my world in his hands
Viva loma rica
Viva loma rica

Viva loma rica

Viva loma rica
