Suitcase

Joe Purdy

No don't worry with your suitcase, dear
And don't worry with your suitcase, dear
Cause the people out to get you
They don't know that you're here
So don't worry with your suitcase, dear

Honey, you don't have to go nowhere
Honey, you don't have to go nowhere
Cause there's people out their screaming
They linger in the air
But you don't have to go nowhere

Just forget about your troubled mind
Just forget about your troubled mind
Oh cause I can see you dreaming
Knowing that it's time
So forget about your troubled mind

So don't worry with your suitcase, dear
No, don't worry with your suitcase, dear
Cause the people out to get you
They don't know that you're here
So don't worry with your suitcase, dear
No, the people out to get you
They don't know that you're here
So don't worry with your suitcase, dear
