

Get Down

Backstreet Boys

You're the one for me
You're my ecstasy
You're the one I need Hey yeah
Ohh Get down
Get down
And move it all around
Get down
Get down
And move it all around Hey baby love, I need a girl like you
But tell me if you feel it too
I'm in delusion every minute, every hour
My heart is crying out for you I feel in heaven when I look in your eyes
I know that you are the one for me (One for me)
You drive me crazy 'cause
You're one of a kind
I want your lovin'
And I want it right now Get down
Get down
And move it all around
Get down
Get down
And move it all around Get down
Get down
And move it all around
Get down
Get down
And move it all around Oh baby you're so fine
I'm gonna make you mine
Your lips they taste so sweet
You're the one for me
You're my ecstasy
You're the one I need Bang, bang, bang
Here we come
Here we slam
It's the Fun Factory
With the BSBs
All the girls
Get on your knees, tryin' to scream
Or touch me please

Backstreet Boys
Are you with it
A.J. hit it Come on girl and get down
Smack it up
Pump it
And move it all around
Here it is if you want to get with this
Put you at the top of my list I feel in heaven when I look in your eyes
I know that you are the one for me (One for me)
You drive me crazy 'cause
You're one of a kind
I want your lovin'
And I want it right now Get down
Get down
And move it all around
Get down
Get down
And move it all around Get down
Get down
And move it all around
Get down
Get down
And move it all around Oh baby you're so fine
I'm gonna make you mine
Your lips they taste so sweet
You're the one for me
You're my ecstasy
You're the one I need I feel in heaven when I look in your eyes
I know that you are the one for me (One for me)
You drive me crazy 'cause
You're one of a kind
I want your lovin' baby
And I want it right now You're the one for me
You're my ecstasy
You're the one I need Get down
Get down
And move it all around
Get down
Get down
And move it all around Get down
Get down
And move it all around
Get down
Get down
And move it all around Get down

Get down
And move it all around
Get down
Get down
Get down, get down yeah
