

Hide Away Folk Family

They Might Be Giants

Hide away folk family
Or else someone's gonna get ya (Someone's gonna get ya)
Someone's gonna get ya
Hide away folk family
Better hide away
Better hide away Tippy-toe to the front door, Mother,
'Cause there's a guy with a long, long fuse
And the one thing you can't hide is all the fear you feel inside
As the fuse is spelling out these words Hide away folk family
Or else someone's gonna get ya (Someone's gonna get ya)
Someone's gonna get ya
Hide away folk family
Better hide away
Better hide away Tippy-toe to the flat-bed, Father,
Because they're pouring out our gasoline
And sadly the cross-eyed bear's been put to sleep behind the stairs
And his shoes are laced with irony Hide away folk family
Or else someone's gonna get ya (Someone's gonna get ya)
Someone's gonna get ya
Hide away folk family
Better hide away

Or else someone's gonna get ya (Someone's gonna get ya)
Someone's gonna get ya

Better hide away

Someone's gonna get ya
Hide away
Hide away
