

# I Scare Myself (2009 Remastered Version)

Thomas Dolby

I scare myself just thinking about you  
I scare myself when I'm without you  
I scare myself the moment that you're going  
I scare myself when I let my thoughts run  
And when they're running, I keep thinking of you  
And when they're running what can I do? I scare myself and I don't mean lightly  
I scare myself it can get frightening  
I scare myself to think what I could do  
I scare myself it's some kind of voodoo  
And with that voodoo, I keep thinking of you  
And with that voodoo what can I do? With that voodoo, I keep thinking of you  
And with that voodoo what can I do?  
Because it's so, so very different when we're together  
And I'm so so so much calmer, I feel better  
'Cause the stars already crossed our paths forever  
And the sooner that we realize this thing the better And then I'll be with you and I won't scare myself  
And I'll know what to do and I won't scare myself  
And my thoughts will run and I won't scare myself  
And I'll think of you and I won't scare myself
