To The Floor

Mariah Carey

Ho, to the floor, everybody to the floor
Oh, to the floor, everybody to the floor
Come onBaby, I don't wanna let you think I'm
I like to try ya, I think you so on fire
Easy, like them other girls that you been seein'
I can't deny ya, I keep tryin' to fight itI'm sayin' I just wanna make sure that
You really want me just for me
Because it's not just that I'm so impressed
By all your cars and your jewelryAnd you know like I know
Feel that chemistry
You know I feel it just the same as you
So won't you bring that down to me, heyWhatever happens it's goin' down tonight
I said, "It's all goin' down tonight"
I said, "It's all goin' down tonight"
I bet it's all goin' down tonight
So get ready 'cause you and me
Got business we gon' handle it tonightTonight, tonight
Tonight, tonight
Tonight, tonight
Tonight, tonightTo the floor, everybody to the floor
Come onShorty, I would never think that you were
I like to try ya, I think you're so on fire
Easy, girl I just think that you are so outstandin'
I can't deny ya, keep tryin' to fight itI'm sayin' I just wanna make sure that
You really want me just for me
Because it's not just that I'm so impressed
By all your cars and your jewelryAnd you know like I know
Feel that chemistry
You know I feel it just the same as you do
So won't you bring that down to me, heyWhatever happens it's goin' down tonight
I said, "It's all goin' down tonight"
I said, "It's all goin' down tonight"
I bet it's all goin' down tonight
So get ready 'cause you and me
Got business we gon' handle it tonightTonight, tonight
