OK

Shitdisco

Executive excess yes, yes, yes
It's a model of success and
Nothing for your efforts yes and
This impresses even less and then

When you find yourself
In the wrong company
You must remind yourself
Who you'd like to be
When you find yourself
In the wrong company
You must remind yourself
Who you'd like to be

Who you'd like to be like
Who would you like to be like
How we'd like to be
Or how we like to be

Who you'd like to be like
Who would you like to be like
How we like to be liked
Oh how we like to be alive

OK OK OK
Who do you feel like?
OK OK OK
Who do you feel like?
OK OK OK
Who do you feel like?

I am a criminal
I try to live beyond my means and
I am a number these days
It's good for security and I forgot my name

When you find yourself
In the wrong company
You must remind yourself
Who you'd like to be

When you find yourself
In the wrong company
You must remind yourself
Who you'd like to be

Who you'd like to be like
Who would you like to be like?
How we'd like to be
Or how we like to be

Who you'd like to be like
Who would you like to be like?
How we like to be liked
Oh how we like to be alive

OK OK OK
Who do you feel like?
OK OK OK
Who do you feel like?
OK OK OK
Who do you feel like?

Who do you feel like?
Who do you feel like?
Who do you feel like?
Who do you feel like?
Who do you feel like?
Who do you feel like?
Who do you feel like?
Who do you feel like?

OK OK OK
Who do you feel like?
OK OK OK
Who do you feel like?
OK OK OK
Who do you feel like?

Who do you feel like?
Who do you feel like?
Who do you feel like?
Who do you feel like?

OK OK OK OK OK OK OK OK
