Greatest Day

Bowling for Soup

I've got the keys to the car
I'm goin' out on an afternoon vacation
They all know where I'm gonna goThe sun is shining down and
There is no one else around now
I wish you were here to hear me say
This is gonna be my greatest dayHow far would I go? How long would I stay?
To see it all to carry it all back with me again?
How hard would I try just to hear everybody say
This is gonna be my greatest day?Standing here, looking out on the world
And for a second nobody is looking back at me
I never even notice where they goThe sun is shining down and
There is no one else around now
I wish you were here to hear me say
This is gonna be my greatest dayHow far would I go? How long would I stay?
To see it all to carry it all back with me again?
How hard would I try just to hear everybody say
This is gonna be my greatest day?My greatest day
My greatest day
My greatest dayI've got the keys to the car
I'm goin' out on an afternoon vacation
They all know where I'm gonna goThe sun is shining down and
There is no one else around now
I wish you were here to hear me say, to say
This is gonna be my greatest dayMy greatest day
My greatest day
My greatest dayHow far would I go? How long would I stay?
Just to carry it all back?
How hard would I try just to hear everybody say
This is gonna be my greatest day?
